

## **Approved Continuing Education Courses for 7/1/06 – 6/30/08 Renewal**

**LICENSEES:** Unless exempt, you are required to have continuing education credits in order to renew your Chiropractic license. This is a list of courses that you can take. Please save your certificates for you will be required to send us copies IF you are subjected to a post renewal audit. Effective July 1, 2006 – The Delaware Board of Chiropractic approved the courses below for **2 years**, therefore, these course are listed by Board **approval date**, not by course date. These courses may be offered at any time during the 2 years period, therefore, please contact the providers for detailed information such as dates offered and prices.

**PROVIDERS:** The courses that you submitted have been approved for 2 years. You have to submit a new application and supporting documents if:

- If the course content, title, or the amount of hours offered changes
- If you would like to continue offering a particular course after the 2-year expiration date
- If you have a new request for course approval \*

**You can offer the course anytime during the 2 year approval period. You DO NOT have to request approval when offering the course any additional dates or locations.**

\*FOR COURSE APPROVAL: Please submit, with all new requests, a Continuing Education Application, course syllabus or outline, a vitae of all instructors and (if applicable) a letter verifying the speakers affiliation with an appropriate educational institution.

Please let the Board office know if you are NOT offering the course any longer and we will take it off the list. At the end of a renewal period, your approved courses will be transferred to the list for the current renewal period for the remainder of their 2 year time period.

These courses are listed by Board Approval Date:

### **Advanced Education Systems**
